

USPTO APPLICATION NUMBER: 10/725,907

FILING DATE: 12/02/2003

NAME OF APPLICANT: Stephen Dintino

TITLE OF INVENTION: Physically Aggressive Criminal Control and Restraint System, "The Giraffe"

ABSTRACT OF DISCLOSURE:

- 1 The Physically Aggressive Criminal Control and Restraint System,
- 2 "The Giraffe", is a new and unique manual protective control and restraint tool,
- 3 which will safely control and restrain a physically aggressive person, and
- 4 which will provide the necessary distance from the physically aggressive
- 5 person to protect the users of the tool. The tool is specifically and
- 6 intentionally designed to be used by Public Safety personnel.
